Highlights

The Federal No Child Left Behind Act has certainly presented us with some new challenges. So far, our District has met and exceeded all the goals set by the Federal and State governments this year. We are extremely proud of our faculty, administration and our students. We also took the State Championship in Softball and Girls Track and we also had a State Champion and runner up from the Boys Track team in the shot put and discus. We have 3 very good schools in our District.

Progress Towards Meeting Goals

2005-06 Goals	Progress
Meet AYP Goals	In 2006 we met all AYP Goals and exceeded them by wide margins. Our graduation rate improved to 100% in 2006.
Improve the Reading, Language and Math skill of our students	This goal was easily met according to the IRI and ISAT test scores which once again were among the highest in the State of Idaho.
Improve the Faculty and reduce the number of Miss-Assignments.	We started with a great faculty and feel we improved it with our new replacements and by having good in-service programs and supporting additional undergraduate and graduate courses for additional certifications.
Improve morale by giving raises to people who have not had a raise in six years.	We added 3% to the salary schedule, which amounts to less than ½% per year. The State can do better than this.

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.
